

Vesuvius, a Business Partner of ESL Steel Limited, Invests in ESL's Project Sites Through CSR Initiatives

Bokaro, 25th December 2024: ESL Steel Limited's business partner, Vesuvius, invested in ESL's project sites by inaugurating four Smart Bio Toilets, a Pure Drinking Water Machine, and organizing a Hygiene Awareness session. This key initiative, the Menstrual Hygiene Awareness Session, which is a regular activity in ESL's CSR project sites, aimed to educate school children, particularly girls, about menstrual hygiene and promote a healthier and more informed lifestyle.

The program also included the distribution of 450 school bags. Additionally, a tree plantation drive was held at Madhunia High School, reinforcing the commitment to environmental sustainability.

Prominent Dignitaries at the Event

The Event was graced by esteemed dignitaries, including Pratima Das, Block Education Officer; Pradeep Kumar, Madhunia Panchayat Mukhiya; Suman Trivedi, Head Refractory, ESL, Kunal Daripa, Head CSR, ESL; and Arvind Kumar Singh, Business Head, VIL. The distinguished guests inaugurated the event with a ribbon-cutting ceremony, followed by a traditional felicitation involving the presentation of shawls and bouquets.

Other Attendees

Key officials from Vesuvius India Limited, including Atanu Mukherjee, Head Sales, VIL; Jalaram Aya, Senior Manager, VIL; Rajshree Das from the CSR Department of Vesuvius India Limited along with Shardendu Tripathi from the CSR Team of Vedanta ESL, School Principal Suresh Jha, teachers, and students, attended the event.

ESL's Commitment to Empowering Students through improve Health and Hygiene in our Communities

Speaking on the occasion, **Suman Trivedi, Head Refractory, ESL**, said, "By inaugurating four Smart Bio Toilets, a Pure Drinking Water Machine, and organizing a Hygiene Awareness session, we are taking meaningful steps to improve health and hygiene in our communities. This initiative reflects our commitment to fostering safer, healthier environments for students and empowering them with the knowledge to lead more informed and confident lives."

Other Key Moments and Highlights of the Event

Another key highlight of the event was the distribution of 450 school bags to students, ensuring their participation and enthusiasm. A special training session on menstrual hygiene was conducted by Vesuvius India Limited, where the trainer educated schoolgirls about menstruation and the importance of maintaining proper hygiene during their menstrual cycles. This session aimed to promote better hygiene practices among young girls.

This program marks another milestone in Vedanta ESL's and Vesuvius' ongoing efforts to uplift communities and create a positive impact.

About Vedanta ESL Steel Limited:

Located in Siyaljori village in the Bokaro district of Jharkhand, ESL Steel Limited is a leading manufacturer of steel products. It has a 2.5 million tonnes per annum (MTPA) greenfield integrated steel plant that produces pig iron, billets, TMT bars, wire rods, and ductile iron pipes. The plant works in sync with the prescribed environmental standards, bringing international expertise and solutions from reputed manufacturers to offer world-class services and products.

About Vesuvius plc:

Vesuvius is a global leader in molten metal flow engineering, serving industries in high-temperature environments. We provide innovative, customized solutions such as flow control systems, advanced refractories, and consumables, along with technical services like data capture. With a strong presence worldwide, we operate cost-efficient plants close to our customers and support them with industry experts. Our strengths include market leadership, strong customer relationships, and global reach, enabling us to expand in emerging markets. Our goal is to create value for customers, deliver sustainable growth for shareholders, and ensure a safe, rewarding workplace for our employees.
